

NSR

COMMERCIAL REFRIGERATION

PROFESSIONAL OEM&ODM MANUFACTURER

NSR

QINGDAO NEWSTAR COMMERCIAL EQUIPMENT

EMPLOYEES

- Workers 800
- QC Department 60
- R&D department
- Build-in 25
- Commercial 10

FACTORY

- Land Area 13000m²
- Production workshops
- Build-in 3
- Commercial 1
- Under-construction for commercial 1

PRODUCTION CAPACITY

- Build-in 3000 units/day
- Commercial 200 units/day
- Once new commercial workshop start operating, capacity will up to 500 units/day

SHEET METAL

2600 sets/day production capacity

NSR

7 Bending machine

2 Auto Sheet metal processing line

6 Stamping press machine

2 Cutting machine

PRODUCTION LINE

NSR

7 Pre Assembly Line

7 Body Foaming Line

2 Door Gasket production Line

4 Final Assembly Line

1 Flexible Manufacturing Line

1 Fully Automated Production Line Under Construction

New product will passed these tests before enter the market

14 Standard type labs

- 10 for Build-in
- 4 for Commercial

1 operating life test room

1 standard ambient noise test room

1 Integrated physics and chemistry lab

1 electric control room

DEVELOPMENT of NSR

NSR

Invested and established in 2004

Now ,after 20 years' development, Become the biggest build-in refrigeration manufacturer exporting to 60 more countries around the world

Start commercial refrigeration field from 2021 , exporting more than 30 countries

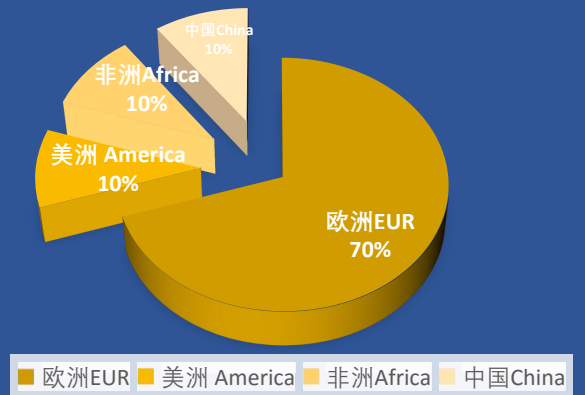

Established one more new production line in 2024 for commercial refrigeration

BIGGEST BUILD-IN&BUILD-UNDER REFRIGERATOR MANUFACTURER MADE IN CHINA

OEM/ODM for :

SALES PROPORTION

COMMERCIAL CERTIFICATION

NSR

NSR has passed the most certifications in the commercial refrigeration industry

Export to more than 30 countries
