

NSR

COMMERCIAL REFRIGERATION

2024/2025

Qingdao NSR commercial refrigeration , invested and established in 2004 located in Qingdao, Shandong province, China.
 As one of the biggest commercial refrigeration manufacturer , our factory covers 13000 square meters with 800 workers and 5 production lines specialized in the production of Build-in and commercial equipment.
 To ensure the quality of our products, we established various lab rooms including 14 standard type labs and other life, noise, chemistry,electric labs to test every unit before shipment. After 20 years' development, become the biggest build-in refrigeration manufacturer exporting to 60 more countries around the world.
 From year 2021, we start commercial refrigeration field, we have succeeded to satisfy customer's request and develop many new series with high quality. Our products are widely accepted and highly approved by customers from over 30 countries and regions,mainly from Europe,America,Middle East and Southeast Asia.
 Warmly welcome friends from all over the world to visit and cooperate with us.

Product Advantages

EC fan motor
More efficiency and quiet

Top mount unit
Easy for cleaning and maintenance

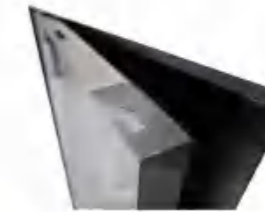

New designed air duct
Better cooling efficiency

Hot pipe anti-condensation
Not just in the door frame,
but also in the middle vertical mullion,
instead of the Electric wire heater
More safe, more energy saving

Adjustable shelves
GN pans available

Full length, no welding, foam handle
More strong, more durable

UPRIGHT CABINET

VENTILATED GN656 SERIES

GN-656TN

Standard Features

- Freezer's door frame with Hot pipe anti-condensation
- Full length foam handle
- Shelves
- 4*Castors
- High pressure pipe with high corrosion-resistant coating
- LED light

Options

- Refrigerator's door frame with hot pipe anti-condensation
- 4*adjustable feet
- With middle small size shelves
- Welding full length handle
- C type recessed handle
